Dear Mr. Shah:

AECOM, on behalf of Ingersoll Rand Company, appreciates the Department's acceptance of the *Remedial Action Report for the Old Landfill (AOC-29)*, dated July 2009 identified in your letter of October 1, 2010. Since the *Remedial Action Report for the Old Landfill (AOC-29)* and proposed Deed Notice is also subject to approval of Site Remediation we hereby request an extension to the Deed Notice filing timeframe specified in the Department's above referenced letter. We anticipate the Deed Notice will be filed within 45-days from the receipt of Site Remediation's Approval. We anticipate Site Remediation will be issuing their approval in the next several weeks.

We appreciate your Department's cooperation in this matter. If you have any questions, or would like to discuss this further, please contact us.

Sincerely,
